This term we have decided to trial a Parent Consultation Day rather than just an evening. We hope this will enable parents to have a wider range of time options and a slightly longer appointment with the Class teacher to discuss your child's progress. We understand that this may mean you have to visit school on more than one occasion for siblings using this new process and we will ask for parent feedback after all Parent Consultation Days are complete. Please make your appointment using the e-Schools booking system ASAP If you have any problems please contact Jane Or Heidi in the school office who may be able to assist.

Book Club— Don't forget to place any orders from the latest Scholastic Book Club leaflet.

To place an order please visit:
