

Teacher: Mr Hammond

Term: Autumn 2 (B)

Class: Godrevy

Year group: 5 & 6

Extreme Earth

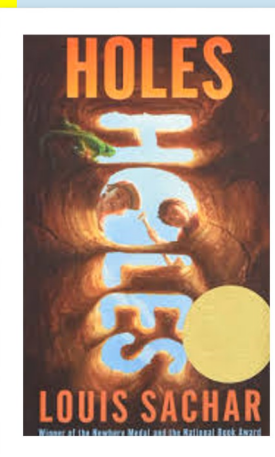

As writers we will learn about:

Fiction—Responding to a warning story (Escape from Pompeii, by Christina Bullet)

- ◇ Write from Tarino's point of view as he escapes from Pompeii.
 - ⇒ Use a range of sentence structures including: fronted adverbials; preposition phrases; complex sentences; relative clauses 'who', 'which', 'where', 'why' or 'whose'.

Non—Fiction - Writing a persuasive leaflet

- ◇ Learn the 'Volannius – A Tourist Hotspot'
- ◇ Use a range of organisational and presentational devices to structure a persuasive leaflet
 - ⇒ Use expanded noun phrases to convey complicated information concisely
 - ⇒ Use accurate punctuation including: semi colons; brackets, dashes and commas to show parenthesis; hyphens
 - ⇒ Use correct tenses including perfect form of verbs
- ◇ Independent Writing - Write persuasive leaflet, encouraging people to visit Narnia despite the wicked Witch and everlasting winter

Homework

Monday: Spellings (Please see reading record)

Wednesday (due in) : **Maths Homework** booklet (1 page per week)

Every Night:

Reading at least 10 minutes each night. Please log in reading record.

Topic Grid: Optional homework linked to our topic of Invaders and Settlers

As mathematicians we will learn about:

- ◇ Multiplication and Division
- ◇ Multiplies, Factors & Prime Numbers
- ◇ Statistics

As artists we will learn to:

- ◇ Create volcano pictures using paint to create different effects (Hot and cold colours)
- ◇ About Hokusai's 'Great Wave'

RE

We will learn about the 5 pillars of Islam including: Shahada (Allah), Salah (Prayer), Sawm (Fasting), Zakah (Money), Hajj (Pilgrimage)

As scientists we will learn:

Properties of Materials and Changes

- ◇ Make a volcano with bicarbonate soda
- ◇ Rock Cycle

As geographers we will learn about:

- ◇ Physical Geography – Volcanoes and Earthquakes
 - ⇒ Why they occur
 - ⇒ Use maps and atlases to locate where they happen
 - ⇒ How they are measured
- ◇ Human Geography
 - ⇒ The impact that disasters have including the economic activity and natural resources including energy and food
- ◇ Learn about other extreme weather around the world including tsunamis and tornados

Computing

Data Handling

- ◇ Using the internet, collect data on volcanoes and earthquakes around the world.
- ◇ Record the data in MS Excel and sort data based on various fields.
- ◇ Present the data in different formats (e.g. tables, graphs)
- ◇ Analyse and evaluate the data.

Think about:

global response to national disasters around the world.

PSHE

Celebrating Difference

British Values

Democracy, Rule of Law, Individual Liberty, Mutual Respect, Tolerance
