

Teacher: Mrs Thomas

Term: Autumn 1

Class: Treen

Year group: 1

Autumn Days! Ourselves!

Numeracy:

Children's learning will include a range of practical activities and during this term they will be learning about; number and place value - reading and writing numbers accurately, mental addition and subtraction, calculation - number bonds, mental and written \pm , geometry- properties of 2D/3D shapes, position and direction and problem solving and reasoning.

Literacy:

In literacy we will be learning the story 'The Gingerbread Man'. Children will create their own story maps and write their own stories, We will look at sentence structure e.g beginning. Middle and end, written in the correct order (once upon a time and basic conjunctions). Children will learn how to punctuate sentences using capital letters, full stops, question marks and exclamation marks. We will practicing handwriting daily, as well as reading to extend children's understanding of words and develop their fluency.

Science: - Human Facts

Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense

RE: Hinduism/ Christianity

We will be looking at Diwali (the festival of lights), this half term and children will be looking at the similarities and differences between Christianity and Hinduism.

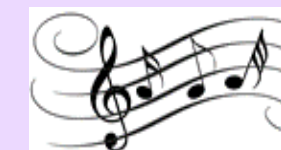

Jigsaw (PSHE)

The theme this half term is 'Being Me in My World'

Music:

The children will use their voices expressively and creatively by sings songs and speaking chants and rhymes.

We will also experiment with a selection of musical instruments.

Art and Design:

The children will be looking at the work of Andy Goldsworthy. We will use drawing, painting and sculpture to develop and share children's ideas and imagination.

Design and Technology:

We will be using a range of materials creatively to design and make products linked to our topic.

PE/Dance

Position/movement and co-ordination will be the focus this term.

The children will think about their body positioning and movement for different ways of moving, using equipment and feelings.

History:

We will be looking at the life/lives of a significant person/people (Guy Fawkes) and changes beyond living memory.

Computing:

Children will learn how to use technology safely and respectfully, keeping personal information private. Know where to go for help and support when they have any concerns about the material on the internet.
