

Teacher: Mrs Thomas

Class: Treen

Spring Term 2
Year 1

Growing & Minibeasts

Numeracy:

During this term we will be learning about; number and place value - reading and writing numbers accurately, mental addition and subtraction, calculation - number bonds, mental and written $+/ -$, geometry - properties of 2D/3D shapes, position and direction and problem solving and reasoning. All areas are covered throughout the year will be consolidated and developed further.

Music:

During this term Children will use their voices expressively and experiment with a range of instruments.

Art and Design:

The children will use a range of materials creatively to design and make products as well as using a wide range of techniques.

Design and Technology:

We will be using a range of materials creatively to design and make products linked to our topic.

Literacy:

In literacy children will learn and retell the story of the Gruffalo and Jack and the Beanstalk, create story maps and write their own stories.

The children will learn about suffixes and root words. We will look at sentence structure e.g beginning. Middle and end, written in the correct order (once upon a time and basic conjunctions). Children will learn how to punctuate sentences using capital letters, full stops, question marks and exclamation marks. Our focus is handwriting, spelling and reading to extend children's understanding of words and develop their fluency.

RE:

The children will learning about why we celebrate Easter.

PE: Master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities .

Jigsaw (PSHE) Healthy Me

Understand what it means to be healthy and unhealthy, to keep clean & understand how germs cause illness.

Science:

The children will be looking at a variety of common, wild and garden plants, They will identify and describe the basic structure of a variety of flowers, plants and trees.

Computing:

Children will learn to use simple programs.
