

Date: 5 June 2020

Hello Parents,

On Monday, we begin our **phased re-opening**, with some pupils in Years 6, 1 and Reception returning to school. It has been up to parents to decide whether their children will return and those that have opted to do so were sent further details about the process yesterday.

We understand that decisions about when to send children back to school will be foremost in your minds. If you have currently decided to keep your children at home but subsequently change your mind, can we please request that you do give us a week's notice so that we are able to adjust staffing timetables and ensure all preparations are made.

If you are a key worker and you need to send your child to school please also try and give as much notice as possible, letting us know by Thursday any dates for the following week.

You can let us know either by email (to head or secretary@st-erth.cornwall.sch.uk) or by phone (01736 753153).

Remote learning via Seesaw has started up again this week but please note that as teachers will now also be at school each day, it may take longer to respond to any messages you send via this means.

Camp refunds - This process has now been completed for both Okehampton and Camp Kernow. If you have not received your refund please get in touch.
