KIDS ART CLUB -

St. Ives School of Painting have started their face to face workshops again for children aged 7-12. They are a great opportunity for local children to get creative on the weekend in their inspiring art studios and be tutored by professional artists. They will run fortnightly in term-time from the 31st October, 10am to 12pm.

This term's theme is the environment and what we can do to help climate change. Children will get to try out lots of different art mediums like painting, collage and printmaking and are guided by artist to make their own masterpieces.

Swimming will take place during the weeks beginning 22 November for Fistril and 29 November for Godrevy. Pupils will have a swimming session on each of the days during the week, travelling to St Ives Leisure Centre by minibus or car. We will send home letters giving further details immediately after half term.
