9 December - **Mousehole performances**—this will now be recorded and uploaded to SeeSaw before the end of term.

10 December - **Christmas Lunch & Jumper Day** (Save the Children appeal - £1 donation & wear a festive jumper)

14 & 15 December - **Carol Service** - signing on the School field at 4.30 pm on both days—more info on Monday

17 December - **End of term** - Finish at 1 pm

CHRISTMAS MARKET AND LANTERN PARADE

Do come along and enjoy the Festive Fun and purchase all those Christmas gifts you haven't yet bought. The Market is organised by the Friends of St Erth School who have all been working incredibly hard to make the event a success, despite the current challenges. They need cakes—please see above. Do remember to wear a face mask whilst shopping at the stalls to keep everyone safe. The lantern parade by the children will follow, arriving at the village square for the lights switch on at 6.30 pm.

CLUBS

There are only a couple of sessions left of the **Cookery Club** for the current group. If you have not yet paid for all the sessions please can you send the money with your child on Monday. Many thanks. We will send a reminder before the end of term to the children in the next group after Christmas.

GOLF - The final session of golf has been moved to next Tuesday, 7 December .

Updated Coronavirus Guidance - updated guidance from Public Health Cornwall:

Public Health Cornwall is asking parents, carers, teachers and school staff to follow the following guidance.

- Book a PCR test if you are a household or close contact of a confirmed COVID-19 case
- Household contacts of a case who attend an educational setting to take a daily rapid LFD test for 7 days

This additional testing recommendation applies to children in secondary schools and additionally primary schools if parents/carers feel comfortable in doing so.

The daily testing recommendation for Cornwall is not mandatory but designed to identify children and young people who develop COVID-19 a few days after their sibling or other household member and therefore reduce the risk of COVID-19 spreading in schools.

If they do not have COVID-19 symptoms and are testing negative they can continue to attend their setting. If they test positive on an LFD test or develop new symptoms, they should self-isolate and take a PCR test.

We also request that all parents, carers and older siblings of school aged children test twice weekly, using a lateral flow test, in line with the continued government guidance.
