Caring, Sharing, Preparing for Life

9 November 2018

Dear Parents

We are pleased to report on the recent OFSTED Inspection of St Erth School. The inspector has written a letter in which he sets out his judgements on what the school provides for its children. This letter is available on our school website (https://st-erth.eschools.co.uk/cms_manage/edit_page/9216).

His conclusion is that the school remains a good school and he highlights many positive features of what we provide.

He recognises how, "St Erth maintains its unique character and place at the heart of the community." He praises the work that staff do every day and states, "Staff across the school, at all levels, work as a well-oiled machine." He also saw how relationships are at the heart of the school's values explaining, "Pupils behave well and relationships between adults and pupils are rooted in mutual respect." The inspector makes it clear throughout his letter that he regards staff at St Erth as leaders who take responsibility for children's learning and as a result the children make strong progress. He particularly notes how the children are enthused and engaged by the curriculum saying, "The curriculum is highly relevant to the pupils at St Erth Community Primary School."

We are pleased with the inspector's judgements and satisfied that he understood our school well. We recognise that, with your support, we need to improve attendance and continue to improve attainment. We fully agree with the inspector when he writes that, "The school's curriculum ensures that teachers can pinpoint what each pupil needs to make progress and enables them to provide specific support."

We will continue to do this and together we will provide the care and education that the children deserve.

Yours sincerely

Ralph Hammond
Acting Headteacher
