## Parent Governor Elections

A reminder that the deadline for nominations to fill the Parent Governor vacancy is next Friday. A letter with more detail was sent home last week via email. The letter, nomination forms, election procedure and details on qualifications are all available to download from the front page of the school's website or can be collected via the office.

**Breaktime snacks.** I am sending this brief note to remind everyone that we encourage healthy snacks at breaktimes in school. We have noticed in recent days that there is a wide variety of snacks being consumed. It is incredibly helpful to the children and supports learning if their snack at break is nutritious and helps them to focus for the learning to come. Snacks that are high in sugar and fat content do not serve this purpose and are discouraged. We do understand that children may have a small treat in their lunchboxes, to be eaten at lunchtime and will be reminding them of this. Free daily fruit is provided by the government in KS1 and the school will provide a supply in KS2 for the rest of this week to encourage healthy choices. I must also remind parents that we are a nut free school and that any products containing nuts are not permitted. This is for the safety of others and again we appreciate your cooperation with this.

## Flu

The Annual Nasal Flu vaccination programme is about to begin. We have attached a letter with a link to the online consent form along with a unique code for your school. If you have difficulties completing a form please ring the School Immunisation Team on **01872 221105** and they will be happy to complete the form with you over the phone.

## SWIMMING

All children were given letters about swimming yesterday. Please make sure that your child has given this to you and that you return the reply slip on Monday.

## COVID

We have had a positive Covid case in school amongst the KS2 children but, following current guidelines, we are continuing as normal here in School. A letter was sent home with all KS2 pupils and sent to the whole school via SeeSaw. Don't forget that if your child shows any symptoms they and their siblings should stay at home until you receive a negative PCR test result for the child with symptoms.

### **Annual forms—PLEASE RETURN ALL FORMS NEXT WEEK**

We are sending home Data Checking Sheets today for pupils in Years 1-6. Please check, amend if necessary, sign and return. Please note that the signature box may be on page 2. Pupils in **Reception will have their forms next week.**

### **Visits and Emails form**

There is another form giving annual consent for local visits and for you to give us your up-to-date email addresses.

### **Image Consent forms**

Finally, there is the annual image consent form which includes additional questions from the Trust.

### **School Admissions September 2022**

The online application system for places in our Reception class for next September is now live. A leaflet about this will be sent home to any families that we know have younger children at home and detailed information about the admissions process is available online at [www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions)

### **HEAD LICE**

We have had a few reports of head lice in school. Please make sure that you examine your child's hair regularly and if you find any signs of eggs or lice please treat the whole family.

**Harvest** - The Church Harvest Festival takes place on 3 October. Although the School will not be able to have its own service in the Church as usual, we would still like to participate in the celebration. **We are asking that Harvest gifts (non-perishable please) are brought into school from next Monday. All donations are very gratefully received.** Godrevy Class will take these to the Church on Friday, 1 October for inclusion in the collection for the local foodbank. The children will also be singing Harvest songs in school which we will share with you digitally.

### **PEDESTRIAN ACCESS**

Please remember that under no circumstances should you use the driveway whilst on foot. If you park outside, even between our two gates, please walk up to the building via the pedestrian gate.

### **Doodle maths summer challenge.**

If your child took part in the Doodle Maths Challenge over the summer the school will receive their badges in the coming weeks. They'll be presented in assembly once they are here.
