

Date: 4 March 2022

### OUTSTANDING ACHIEVEMENT

**GODREVY:** Martha

**FISTRAL:** Rory      last week - Cameron

**MOUSEHOLE:** Silver

**TREEN:** Busby      last week - Noah B

### HAPPY BIRTHDAY!

Birthday wishes to:

Cruz - sorry we missed you last time  
and Boden and Riley

Clubs - There will be a slight change to some of the after-school clubs from next week.

On Mondays, KS2 Lego Club has finished and the **KS1 Lego Club** will start from next week.

On Tuesdays, Multiskills is being replaced by a **KS1 Gym Club**. We regret that we won't be able to have older children at this club.

**Running Club** will now take place on Wednesdays.

We will assume that club members are staying the same for running, that the Multiskills group will go to Gym Club and that those who signed up for Lego at the start of term still intend to participate (We have reminded those children today).

## Parenting in the Digital World

If the link doesn't work please  
contact the school office by noon  
on Wednesday.

Dear Parents / Carers of TPAT Schools,

As peoples digital lives continue to grow, we know that for young people, spending an increasing amount of time online, holds lots of potential risks and concerns.

To allow you to help your young people navigate themselves through their ever rapidly growing digital lives, whilst at the same time allowing them to be independent digital users, we are running a special live, virtual online safety presentation on 09.03.22 at 7pm (On Zoom).

During this 60-90min session, Richard from The Stay Safe Initiative CIC will be helping you to understand your young peoples digital lives a bit more. Exploring what they are doing online, understanding the risks, and providing straight forward help and advice to keep everyone at home safe.

We know that many feel overwhelmed trying to keep up with the constant evolution of games, apps and social media platforms and are quite often understandably worried about, cyber-bullying, online grooming and what they are sharing online.

This session will allow you all to be informed and NOT scared!

During the informal Q&A session at the end of the presentation, Richard will be happy to stay online for as much time as needed to help address any of your individual questions and comments.

To book a free place at this event please use the link below or scan the QR Code.

On Monday, Godrevy class are taking part in a Multiskills event at Penwith College in the afternoon. We will travel by minibus. The event finishes at 3 pm so we may be a little late arriving back. Please make sure that they wear their PE kit on that day.

### Centenary celebrations

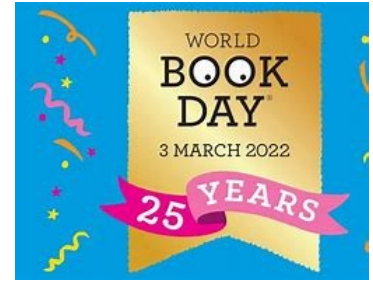

Please take a look at our website to see the details of our plans for the centenary celebrations. We will be having a raffle and a bottle tombola so please send any prizes or bottles (absolutely anything in a bottle) into school.

Please also let us know your favourite pop song when you were at primary school and ask older generations too. Send these to [secretary@st-erth.cornwall.sch.uk](mailto:secretary@st-erth.cornwall.sch.uk). Join us on 9 April to find out why we wanted to know.

Finally, we are attaching the poster about the celebrations (which will be going up around the village, etc). Please share this information with your wider family and friends if they used to go to St Erth School.

## World Book Day

The children had great fun yesterday. They enjoyed working in their house groups and spending time with children of all age groups. Allowing the children to all engage with the same books, discuss and enjoy them, then reflect them when making their hats was wonderful. The collective experience meant that the power of books to bring people together and make connections was at the centre of what was a great day. Below are some photos of the books the children read and them enjoying the day.

Don't forget that the WBD vouchers sent home before half term need to be redeemed by 27 March. They can be exchanged for one of the special WBD publications or put towards the cost of another book. Full details on the voucher.

## Reception Vision Screening

The Vision Screening for children in our Reception year will be taking place on Tuesday.

## Fistral visit to Helston Museum

Fistral class had a great time at Helston Museum just before half term. They took part in an immersive workshop, dressing up in Victorian costume and handling artefacts from the time. The volunteers at the museum were very impressed with the children's knowledge of the Victorian period.

### Current Coronavirus Guidance

Following the updates to government guidance through the living with Covid-19 plan announced on February 24th, Parents need to be aware of the following, this is also reflected in the school's risk assessment. Full details can be found at <https://www.gov.uk/government/publications/covid-19-people-with-covid-19-and-their-contacts/covid-19-people-with-covid-19-and-their-contacts>

- Anyone with a new or continuous cough, a high temperature, a loss of, or change to, your normal sense of taste and smell, should order a PCR test and are advised to stay at home whilst awaiting results.
- Other symptoms linked to covid -19 include: shortness of breath, fatigue, loss of appetite, muscle ache, sore throat, headache, stuffy or runny nose, diarrhoea, nausea and vomiting. Any of these symptoms may have another cause.
- Anyone with a positive LFD test is also advised to stay at home and order a PCR test, even if not displaying symptoms.
- The most effective way of avoiding passing on Covid-19 infection remains to stay at home and avoid contact with other people. If you have Covid-19 you should stay at home.
- Below is a flow chart showing how LFD tests can allow individuals to end isolation early
