HAPPY BIRTHDAY!

Birthday wishes to:

Centenary celebrations

Thank you to all those who have returned their reply slips indicating whether or not children will be attending the two celebration events. We will be practising the Church presentation next week with those coming on Sunday, 3 April. Those only coming on Saturday, 9 April will be able to join further rehearsals in the following week. If you have not yet returned your form please send it in on Monday. However, everyone is welcome to come along to either event regardless of whether they are taking part. The more the merrier!

Easter Meal Vouchers

Vouchers for those in receipt of Free School Meals will be available for the last time to cover the Easter holidays. We have already processed these and two weeks' worth of vouchers should arrive with you on 6 April.

Reception Vision Screening

This has now taken place and all children were given a letter to bring home. If your child was absent on the day, there are details in the letter about arranging an appointment.

Parents' Evenings and Reports

Parents' evenings for pupils in Treen class will be taking place on Monday, 4 April between 3.30 and 5.00 pm and on Tuesday, 5 April between 1.30 and 3.30 pm. Mr Coleman will have a Sign-Up sheet at the school gate next week (or you can telephone us) to make an appointment.

For the rest of the school, reports will be sent home on Wednesday, 6 April. Following this, there will be the opportunity to meet your child's class teacher if you have any issues you wish to discuss.

Farmers' Market

Unfortunately the school has had to withdraw from the refreshment stall at the Farmers' Market tomorrow due to staff absence. We are very grateful to the Chapel for their understanding. If you have baked a cake for us please take it along anyway; I am sure they would be delighted to receive it.

Pupil Absence and Online Learning

We have quite a few pupils off school at present with Covid. If your child is one of them, please remember that if they are feeling up to it, they can access Reading Eggs and Doodle Maths to keep up with School work. If they have forgotten their login details just contact their teacher via SeeSaw.

Hayle Heritage Centre

Attached alongside the newsletter is a flyer from Hayle Heritage Centre giving details of activities taking place over the Easter holidays following their re-opening on Monday, 11 April.

Current Coronavirus Guidance

Following the updates to government guidance through the living with Covid-19 plan announced on February 24th, Parents need to be aware of the following, this is also reflected in the school's risk assessment. Full details can be found at <https://www.gov.uk/government/publications/covid-19-people-with-covid-19-and-their-contacts/covid-19-people-with-covid-19-and-their-contacts>

- Anyone with a new or continuous cough, a high temperature, a loss of, or change to, your normal sense of taste and smell, should order a PCR test and are advised to stay at home whilst awaiting results.
- Other symptoms linked to Covid -19 include: shortness of breath, fatigue, loss of appetite, muscle ache, sore throat, headache, stuffy or runny nose, diarrhoea, nausea and vomiting. Any of these symptoms may have another cause.
- Anyone with a positive LFD test is also advised to stay at home and order a PCR test, even if not displaying symptoms.
- The most effective way of avoiding passing on Covid-19 infection remains to stay at home and avoid contact with other people. If you have Covid-19 you should stay at home.
- Below is a flow chart showing how LFD tests can allow individuals to end isolation early
