

Date: 11 February 2022

### OUTSTANDING ACHIEVEMENT

GODREVY: Callum

FISTRAL: Ella-Rose

MOUSEHOLE: Finley

TREEN: Lewis

### HAPPY BIRTHDAY!

Birthday wishes to:

Ted, Lilly-Maye, Jago, Ava, Orla, Chevy & Safiye

**Swimming** - Children in Year 2 will be having their last swimming session next Tuesday. Pupils in Year 1 will receive a letter on Monday about their sessions which begin after half term.

**Head Lice** - We have had quite a number of cases of Head lice in School. Please take the time over the weekend to check your child's hair thoroughly and, if any signs of lice or eggs are found, please treat accordingly, either by using a product from the Chemist or wet combing with plenty of cheap conditioner.

## Parenting in the Digital World

Dear Parents / Carers of TPAT Schools,

As people's digital lives continue to grow, we know that for young people, spending an increasing amount of time online, holds lots of potential risks and concerns.

To allow you to help your young people navigate themselves through their ever rapidly growing digital lives, whilst at the same time allowing them to be independent digital users, we are running a special live, virtual online safety presentation on 09.03.22 at 7pm (On Zoom).

During this 60-90min session, Richard from The Stay Safe Initiative CIC will be helping you to understand your young people's digital lives a bit more. Exploring what they are doing online, understanding the risks, and providing straight forward help and advice to keep everyone at home safe.

We know that many feel overwhelmed trying to keep up with the constant evolution of games, apps and social media platforms and are quite often understandably worried about, cyber-bullying, online grooming and what they are sharing online.

This session will allow you all to be informed and NOT scared!

During the informal Q&A session at the end of the presentation, Richard will be happy to stay online for as much time as needed to help address any of your individual questions and comments.

To book a free place at this event please use the link below or scan the QR Code.

### Fistral Visit to Helston Museum

Mrs Walsh has now returned to School and we have re-scheduled the visit to Helston Museum for next Thursday, 17 February. All other details about the visit remain as before. If you have not yet

made your payment please can we ask that this is done by Thursday. Thank you.

### Children's Clothes Exchange

Starting on Saturday, 5<sup>th</sup> February, there will be a new Children's Clothes Exchange in St Erth Chapel from 10-12 noon. Bring any good, clean outgrown clothes, including school uniforms, and take any clothes to fit your child now.

## Free Magazines

Children are bringing home the latest edition of 'Primary Times' today.

There is a further online magazine called 'Family First' which can be accessed by copying and pasting this link:

[https://issuu.com/sevenstarmedia/docs/ff\\_issue\\_9\\_digital100122](https://issuu.com/sevenstarmedia/docs/ff_issue_9_digital100122)

## BEACH CLEAN

There is a Beach Clean taking place tomorrow if you would like to take part. All equipment will be provided. To join in, please arrive in front of Jordan's Café, Longrock/Marazion at 10 am. For more information please contact Claire:

## Updated Coronavirus Guidance -

Following the recent Government updates to national Covid guidance, please be aware that at present nothing has changed here in school. As soon as our Risk Assessment is updated we will let you know. In the meantime, guidance remains as follows:

- Book a PCR test for anyone in your household who develops Covid symptoms.
- Anyone who is notified that they are a close contact of a positive case should take a lateral flow test daily for 7 days. They do not need to isolate unless they develop symptoms, in which case they should book a PCR test.
- Please limit social contact as much as you can to reduce the spread of the virus.

We also request that if possible all parents, carers and older siblings of school aged children test twice weekly, in line with school staff, using a lateral flow test.
