Teaching Assistant position

Next week we will be posting an advert for a temporary role as a teaching assistant in school. The advert will appear on the council jobs site and our academy trust website by Friday of next week. The role is for 2 mornings and lunchtimes, Thursday and Friday, in Godrevy Class, working from 8:50-1:30 each day. The position will last until the end of the school year. Due to the specific days and times and the number of hours, the role would suit someone who lives locally. You will also have seen on this newsletter that there is a shortage of applicants to these types of roles currently and that training and qualifications can be achieved online. Hence we are appealing to you to please pass this information on to anyone you may know who may suit the position. Details on how to apply will be given with the advert when it is posted next week. If you would like to discuss the position with Mr Coleman, then please get in touch.

KIDS ART CLUB -

St. Ives School of Painting have started their face to face workshops again for children aged 7-12. They are a great opportunity for local children to get creative on the weekend in their inspiring art studios and be tutored by professional artists. They will run fortnightly in term-time from the 31st October, 10am to 12pm.

This term's theme is the environment and what we can do to help climate change. Children will get to try out lots of different art mediums like painting, collage and printmaking and are guided by artist to make their own masterpieces.
