Maths:

Catch up with your daily questions on DoodleMaths and then log in to DoodleTables to practise – remember you need to know all your tables by the end of Year 4 😊

Topic:

What can you see out of your window?

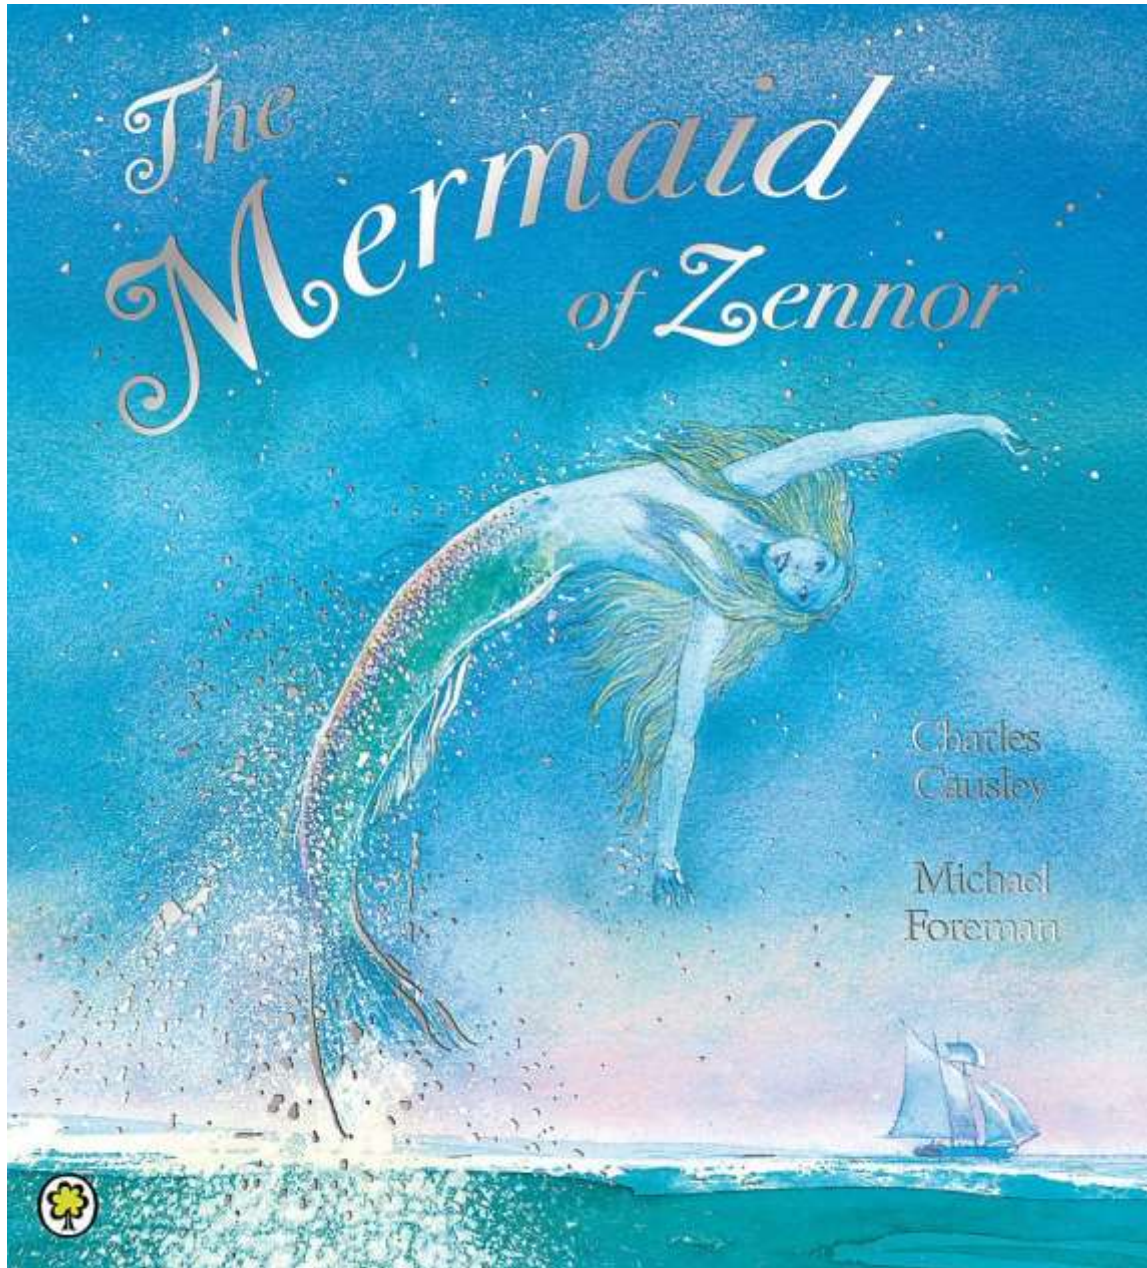

We will be doing a local study this term so think about your locality.

What can you see?

What patterns or textures?

Draw, paint or collage a picture of what you can see from your house.

Look at this front cover:

Fill this box with words and phrases to describe the picture:
