Happy Summer Holidays

Here we are at the end of a big year for St Erth School, its pupils, staff and community. The school has been through an Ofsted visit, major building works and a change in leadership. Throughout all of this the children have continued to shine, showing optimism, togetherness and determination. There have been many highlights this year: Treen and Mousehole classes Pirate day; Mousehole's forest school day; Sports day and summer fayre; Mary Poppins; KS1's Christmas performance; London 2019 and Camp Kernow for Fistral to name but a few. We say goodbye to our year 6 children next week and we wish them every success as they go on to the next stage in their education. They are a very talented bunch and we look forward to hearing about their achievements in the future. A massive thank you to everyone who has volunteered their time this year to help the school continue to thrive. A huge thank you to all the staff for their unwavering determination to provide the children of St Erth with the best school experience possible. Finally, an enormous thank you and well done to all the children for making the school the thriving learning community that it is. It's now time to recharge the batteries and prepare for a new year. I hope that everyone has a wonderful summer holiday full of adventure and relaxation. See you all in September.
