Teaching Assistant position

We have placed our advert for a temporary role as a teaching assistant in school. Please keep a look out on the TPAT and Council websites if you are interested in applying. The role is for 2 mornings and lunchtimes, Thursday and Friday, in Godrevy Class, working from 8:50-1:30 each day. The position will last until the end of the school year. Due to the specific days and times and the number of hours, the role would suit someone who lives locally. You will also have seen on this newsletter that there is a shortage of applicants to these types of roles currently and that training and qualifications can be achieved online. Hence we are appealing to you to please pass this information on to anyone you may know who may suit the position. Details on how to apply will be given with the advert when it is posted next week. If you would like to discuss the position with Mr Coleman, then please get in touch.

Clubs after Half Term

Needlework has now finished

Cookery club continues on a Monday *for the same group.*

Multi-skills and Craft will continue on a Tuesday *for the same group.*

Golf is starting on a Tuesday for Godrevy and Fistral pupils—it will only run on the following dates: 16 November, 30 November and 14 December.

Football will continue on a Wednesday *for the same group.*

Allsorts starts on a Wednesday for Mousehole and Treen classes and replaces the Walking Club

Cross Country and Hockey both start on Thursdays for pupils in Godrevy and Fistral classes.

Each pupil has been given a clubs consent form for the next half term. Please complete this *if your child wishes to start one of the new clubs* and send into school on Tuesday, 2 November. We will assume those already in one of the continuing clubs will also continue to attend.

All these clubs run after school until 4.15 pm.

School Admissions September 2022

The online application system for places in our Reception class for next September is now live. A leaflet about this was sent home a couple of weeks ago to any families that we know have younger children at home and can also be obtained from the office. Detailed information about the admissions process is available online at:

www.cornwall.gov.uk/admissions

The deadline for application is 15 January 2022

Autumn Term Disco

A big thank you to the Friends Group for organising and running the Autumn Disco. All the children who attended had a great time and the Group raised just under £100 for school funds.

Updated Coronavirus Guidance -Following the notification we sent to you all earlier today regarding a positive test result for Covid within the School community, please read this updated guidance from Public Health Cornwall:

The number of COVID-19 infections in Cornwall continues to increase, with more than half of the total number being recorded in Cornish Schools.

Because of this, Public Health Cornwall is asking parents, carers, teachers and school staff to follow some new guidance.

We request:

- You book a PCR test if you are a household or close contact of a confirmed COVID-19 case
- We are asking for household contacts of a case who attend an educational setting to take a daily rapid LFD test for 7 days

This additional testing recommendation applies to children in secondary schools and additionally primary schools if parents/carers feel comfortable in doing so.

The daily testing recommendation for Cornwall is not mandatory but designed to identify children and young people who develop COVID-19 a few days after their sibling or other household member and therefore reduce the risk of COVID-19 spreading in schools.

If they do not have COVID-19 symptoms and are testing negative they can continue to attend their setting. If they test positive on an LFD test or develop new symptoms, they should self-isolate and take a PCR test.

We also request that all parents, carers and older siblings of school aged children test twice weekly, using a lateral flow test, in line with the continued government guidance.

KIDS ART CLUB -

St. Ives School of Painting have started their face to face workshops again for children aged 7-12. They are a great opportunity for local children to get creative on the weekend in their inspiring art studios and be tutored by professional artists. They will run fortnightly in term-time from the 31st October, 10am to 12pm.

This term's theme is the environment and what we can do to help climate change. Children will get to try out lots of different art mediums like painting, collage and printmaking and are guided by artist to make their own masterpieces.
