SCHOOL CLUBS

Pupils who wish to join clubs are bringing home a slip today showing the ones they are in. For the Cookery Club we have divided the children into three groups, one per term, each having 10 sessions. Please make a note of their start dates.

Walking Club will take place on a Wednesday, starting on 29 September.

Seesaw Notifications

Please ensure that you have enabled notifications on the seesaw app. This will ensure you pick up all school communications. You should receive the newsletter via the app and email. Please check the app is working.

Flu

The Annual Nasal Flu vaccination programme is about to begin. We have attached a letter with a link to the online consent form along with a unique code for your school. If you have difficulties completing a form please ring the School Immunisation Team on **01872 221105** and they will be happy to complete the form with you over the phone.

Parent Governor Elections

We have a vacancy for a parent governor and are currently looking for nominations. A letter with more detail has been sent with this week's newsletter. The letter, nomination forms, election procedure and details on qualifications are all available to download from the front page of the school's website or can be collected via the office. Our school governors play a vital role in developing the school's ethos and setting strategic direction. It is a rewarding role and one that is crucial to the continued success of the school.

Harvest - The Church Harvest Festival takes place on 3 October. Although the School will not be able to have its own service in the Church as usual, we would still like to participate in the celebration. **We are asking that Harvest gifts (non-perishable please) are brought into school from next Monday. All donations are very gratefully received.** Godrevy Class will take these to the Church on Friday, 1 October for inclusion in the collection for the local foodbank. The children will also be singing Harvest songs in school which we will share with you digitally.
