### MARY POPPINS -

Thank you to everyone who came along to enjoy the entertainment and support their children on Tuesday. The performances were a great success and still as I type this I am struggling to find the superlatives to describe the children's efforts. We have received some lovely comments in recent days that have included: 'The overall standard was first class and the show was a true joy to watch and wouldn't have been out of place in a theatre.' 'I was, as always, so impressed at how professional the performance was.

The singing was outstanding and choreography of West End standard. The attention to detail of both the costumes, props and set were brilliant. A big shout out to all the children - I was very proud of you all. You are FAB U LOUS !!!! Crucial to pulling it all off was the children's attitude and teamwork. They showed perseverance and patience during rehearsals, ambition and confidence on the night and throughout encouragement and confidence in each other. I must again pay tribute to our fabulous staff for their hard work and dedication in ensuring they were able to provide the children with such an opportunity. Thanks again to parents for all your support at home and on the night. The children and staff are already looking forward to planning next year!

## PARKING

Please remember that, for safety reasons, the car park should not be used during busy times, when children are arriving or leaving school. Please also be mindful when parking outside school that you leave plenty of clear space to allow children to cross the road safely, ensuring that they can see and be seen. Finally, do limit your speed around the school at busy times as we have recently had a near miss.
