I must also give a huge shout out for Hayle School! In particular Mr Martin-Headteacher, Richard & Nick—Technicians for Lighting & Staging, the very patient Admin staff and the wonderful minibus drivers. Thank you for providing such a wonderful venue and for being so welcoming and accommodating.

Although this is such a massive undertaking each year it is so worth it. We are a small school with a big heart and we would like to thank all parents, friends, families and community for supporting and enjoying this event with us.

This was indeed a Grand Finale and a wonderful end to my time at St Erth!

Thank You One & All!

I can't believe that it was only earlier this week that our amazing performance of the production Annie took place!

What can I say about the performance of all the children in Key Stage 2? – Only that yet again I was bursting with pride whilst watching such talented and amazing children—your children! The pupils gave 110% to pull off this fabulous show in just 6 weeks and it is a testament to their commitment, energy and enthusiasm that it was such a success. Of course none of this could have happened without the unfailing dedication of my brilliant teachers and support staff who all had a part to play (excuse the pun!)

Special mention must go to Mr Hammond, & Miss Bloxam for the acting, dancing, direction and 100 other things! , Heidi Ward for the most amazing set, scenery and props, Kids R Us for hire of costumes, Mrs Williams and Mrs Hall for backstage (helped by our ex pupils Jess & Oliver)& Jenny Crowe for help with the music.

Also thank you in particular to Farah Bell and all the parents that helped her to organise the indoor BBQ! for the children and staff – it was delicious and much appreciated!

And finally.....

I can't believe that this is my final newsletter! This has been an incredibly difficult week for me as there is a huge mix of emotions on taking up my new post. Obviously I am excited to be moving on to new challenges, however it is of course tinged with much sadness as I leave my beloved St Erth. Coming to St Erth as a new headteacher, in my first headship, I soon realised what a leap of faith I had taken moving from a senior leader to being the Boss!

It is testament to the whole team of staff, governors and volunteers that the school has gone from strength to strength. I feel very confident that the school is in safe hands with Mr Coleman and that he will continue to build on our successes.

You can look forward to the new classroom later in the autumn term, the Christmas festivities and then the arrival of your new Headteacher!

Needless to say everyone is now exhausted and looking forward to the holidays to recharge our batteries ready for the exciting year ahead.

Please know how grateful I have been for all of your support as parents and friends of the school. Our children are fantastic and deserve only the very best and this is what will continue to be delivered by the amazing teachers and team. Let's hope this fabulous weather stays with us throughout the holidays and you all have a great summer.

You will never know how much St Erth School means to me and I will miss you all so much! Thank you all for your very kind words and generous gifts over the last week I have felt truly humbled and very lucky to have had the privilege to lead such a special school.

I wish you all healthy and happy holidays!
