SCHOOL TRIP TO BRISTOL

Any parents who could not make the meeting about Bristol earlier this week should have received paperwork from their child.

Please ask them if they have not given it to you.

There is another form contained in this pack that needs completing and returning as soon as possible.

School Meals

Starting next week and continuing until half term, the School meals provider will be running a scheme to encourage more children to have a school meal on a Thursday. If your child has a meal on that day they may find one of 6 golden tickets under their plate which will entitle them to a Food Superhero bubble fidget. They can simply take their ticket to Ria, our cook, and she will give them one of the six weekly prizes.

Lego Club - Sorry for all the confusion regarding the new Lego club. After much deliberation, it has been decided that the club will run on Wednesdays but will not start until 18 May. It is open to all KS1 children but numbers are limited to 12. If you would like your child to attend please simply email us:

secretary@st-erth.cornwall.sch.uk

The new School meals menu for the summer term has still not arrived. It is on the website and paper copies will be sent home asap.

Covid Vaccines for children

We have received an email from Reeds Pharmacies who are running Covid vaccination clinics at local Pharmacies to administer 1st and 2nd doses to children aged 5-15, and 1st, 2nd and Booster doses for teenagers aged between 15 & 17.

Further information is in the attached NHS document.

The clinics are throughout Cornwall and the nearest ones are at:

Carbis Bay Pharmacy, **Carbis Bay** and Baden House Pharmacy, **Marazion**

To make a booking at one of their clinics, parents can go online to: <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/> or phone 119.

Covid Guidance - Your child should try to stay at home and avoid contact with other people if they have symptoms of COVID-19 and they either:

- have a high temperature
- do not feel well enough to go to school, college or childcare, or do their normal activities

They can go back to school, when they feel better or do not have a high temperature.

If your child has mild symptoms such as a runny nose, sore throat or mild cough, and they feel well enough and don't have a temperature, they can go to school, college or childcare.
