Positive comments	<p><i>'Can't praise the school enough, nurturing and caring whilst wanting the best academically, for my girls.'</i></p> <p><i>'.....is very happy at school.'</i></p> <p><i>'I am extremely grateful for everything you have done for myself and both boys during these testing times.'</i></p> <p><i>'We are very happy with 's progress. The staff in Treen have been very supportive during this difficult period.'</i></p> <p><i>'I really like the fact that a teacher is at the gates every morning. On the occasions my child is not feeling 100%, having teacher support at the gate is really useful.'</i></p> <p><i>'Moving my children to St Erth was the best decision we ever made. They are so happy and there is something they want to share with us about their day, everyday.'</i></p>
Issues raised	
<p>Question 14</p> <p>I know some school governors and would feel comfortable approaching them with questions.</p>	<p>39% did not agree with this statement.</p> <p>Members of the governing body can be found on our website and contacted directly through the school office or via email. The governors are an integral part of the schools operations and support the school in setting its strategic direction and raising standards. Over the coming weeks we will share their information from the website on the school's newsletter to raise awareness.</p>
<p><i>Comment</i></p> <p><i>'It would be good (and this would most likely happen anyway) to have a catch up on how they are getting along after this second lockdown at some time before next year starts.'</i></p>	<p>Lockdowns, and recovery from these, have disrupted school operations since March 2020. As a result the school has not been able to report to parents on a formal basis as regularly as we normally would. There will be the opportunity for all parents to catch up on their child's progress before the end of the summer term. Annual reports will be sent home in the week beginning July 5th. Following this there will be an open classroom session for each class, where parents can view their children's work with them and staff and have a chance to catch up on any issues.</p>
<p><i>Comment</i></p> <p><i>'I would like to see more detail on how to support my child with homework.'</i></p>	<p>Teachers worked extremely hard throughout lockdown to provide detail on how to support pupils in their work and what tasks required parents to do. Much of the homework set subsequently requires similar levels of support for pupils. If parents are having a specific difficulty or would like more clarity on a certain activity, or need help engaging children in the work, please approach us for support, we are more than happy to help. Where an activity requires further explanation teachers will share this via seesaw or in printed form.</p>
<p><i>Comment</i></p> <p><i>'I would like to see more range of after school clubs and trips.'</i></p>	<p>As we are sure parents understand or extra-curricular offer has been significantly impacted by the pandemic and our requirement to meet safety guidance set by central government. This resulted in their being no after school clubs for more than 12 months. We are acutely aware of how limited our pupil's lives have been over the past year and are opening up opportunity as soon as we are able to. When clubs restarted at the beginning of the summer term, we</p>

	<p>were very grateful to our staff for giving their time and enabling 6 clubs to take place. There will be a new program in the Autumn term. Trips have been similarly restricted and we have plans to provide numerous off-site activities to pupils over the remainder of the summer term should restrictions allow. Prior to the pandemic, each class would have at least one trip a term and we plan for this to begin again next year.</p>
