### HAPPY BIRTHDAY!

Birthday wishes to:

St Erth School - 100 years old last Sunday!

### Centenary celebrations

We are now officially 100 years old, having marked the anniversary with a Church service last Sunday, which was attended by current pupils and staff as well as former pupils, staff and governors. Everyone remarked how special the service was.

We are now looking forward to our main celebration tomorrow, **Saturday, 9 April, at School.** Doors open at 1.00 pm, with the official opening at 1.30 pm. The afternoon will provide an opportunity for current and former pupils, staff and friends of the School to get together and share their memories. We hope that you will be able to join us and look forward to seeing you. Here 's what's happening:

- Welcome and speeches, with the cutting of the celebration cake
- Exhibition telling the history of the School and further displays from village organisations
- Entertainment by children - singing and dancing. **NO NEED TO WEAR UNIFORM.** All children in Godrevy and Fistral classes have been practising Maypole dancing throughout the week and can take part on the day if they are here. Similarly, the whole School have been practising the singing and they can all participate on the day if they come along. They will sing when at the official opening and in-between the band playing
- St Erth Concert Band 2-4pm
- Top of the Pops of the Century 4-6pm
- Refreshments will be available, provided by the Friends group, the Feast Committee & The Star: tea, coffee, cake all afternoon, with mobile bar and savoury food from 4—6 pm.
- Raffle and bottle tombola, Toy stall, memorabilia stall, sweet stall and children's games
- Our book, '*One Hundred Years & Counting*', will be on sale. All proceeds to School funds.
- **Any staff present on the day will not be responsible for supervising pupils, this will the responsibility of the adults they come with.**

**Saturday, 16 April** - Sandy Acre 7 and special guests are performing a fundraising concert from 6-8 pm in the Old School Rooms (Church Hall). Full details on their poster on next page. £5 suggested entry on the door: raising funds for the School. Mobile bar provided by The Star.

School Photo - Last Friday, we had the photographer here to take a photo of the whole school to mark the centenary. He took both a formal group photo of pupils and staff and a more informal one of just the pupils. These are now ready to view and purchase at: <https://http.st/StErthSchool-22>. As the newsletter is a pdf, we will add the link to the email and on the SeeSaw announcement.

There will be a free 'deliver to school' option open for approximately 14 days, otherwise home delivery is available for £5 postage and packing.

Massive thanks to Sandy Acre 7 for supporting the School.

**Reports** - These were sent home on Wednesday, 6 April. Please ask your child for it, if they haven't passed it on to you. If you wish to discuss any issues with your child's teacher please let us know.

**Year 6 SATs information meeting** - Mr Hammond will be holding an information briefing regarding SATs for year 6 parents only on Tuesday 26th April immediately after school in the Godrevy classroom for approximately 30 minutes. SATs will be held in the week beginning 9th May.

The new School meals menu for the summer term has been added to our website. When we return after the holidays, on Monday, 25 April, we will be on Week 2. A paper copy will be sent home when we receive them.

**Easter Activities** - Please see the separate attachment for details of what's on for children this Easter.

### **Covid Guidance**

The list of Covid symptoms has been extended. With this in mind, we felt that this summary was clear on the action parents should take if their child has symptoms.

Your child should try to stay at home and avoid contact with other people if they have symptoms of COVID-19 and they either:

- have a high temperature
- do not feel well enough to go to school, college or childcare, or do their normal activities

They can go back to school, college or childcare when they feel better or do not have a high temperature.

If your child has mild symptoms such as a runny nose, sore throat or mild cough, and they feel well enough and don't have a temperature, they can go to school, college or childcare.

Encourage your child to cover their mouth and nose with a tissue when they cough or sneeze, and to wash their hands after using or throwing away tissues.

Most children who are unwell will recover in a few days with rest and plenty of fluids.
