**SEESAW** - Pupils in Mousehole and Fistral classes were given letters about Seesaw last week. Please make sure that you have returned your child's permission slip.

### CAMP KERNOW

Pupils in Fistral class need to let us know by Monday, 3 February, whether or not they will be attending this year's camp in June.

**ASDA tokens** - Our Forest School providers, **Shifting Horizons CIC**, have been chosen as one of the charities supported by Asda in their foyer. If you shop there please get your token at the checkout and pop it into the collecting bin on the way out. Thank you.

**Parent Governor** - Today is the closing date for nominations for the Parent Governor vacancy. If you had planned to submit a nomination but have not yet done so then please send it via email to [secretary@st-erth.cornwall.sch.uk](mailto:secretary@st-erth.cornwall.sch.uk). Look out for an update on next week's newsletter regarding election.

**PARKING** - I realise that we often remind you not to use the school car park during busy times, when children are arriving or leaving school. However, please can we also ask that you take special care when parking and turning outside the school. It has been noted that when doing 3-point turns cars overhang the pavement when children are passing by. We understand that limited road width makes this a tricky move but please be aware of passing children. Also please try and not block the entrance to the new houses built opposite.

Thank you for your understanding and cooperation.

**Trip money** - Lots of parents have not yet paid for the school cinema trip on 13 January and several still owe for the Fistral class visit to Helston Museum yesterday. Please ensure that payments are made as soon as possible; without parental support we will not be able to undertake such visits. Remember that if your child is going on the Okehampton camp and you have asked to use Pupil Premium funds that will have used up all of your child's allocation.

**ST ERTH FAMILY ACTIVITY TRAIL** - Claire Casey has asked us to mention that the reprints of the St Erth Family Activity Trail have been supported by grants from Cornwall Council's Community Chest Fund and St Erth Parish Council.
